What does membership in TLGDA provide for you?

1. LGD industry representation at the local and state levels.
2. Networking with other breeders and producers, raising and using LGDs effectively.
3. Knowledge that you are supporting the responsible use of livestock guardian dogs with membership in this association.
4. The TLGDA newsletter is published quarterly (Winter, Spring, Summer, Fall)
5. Access to the TLGDA Facebook page to share information, learn about events about livestock guardian dogs both internationally and domestically, including but not limited to:
 - a. Presentations on livestock protection dogs are held on various field days, workshops, etc.
 - b. TLGDA-sponsored events such as the annual meeting or workshops.
6. Access to a larger public if you have pups, dogs, or stud services to offer by listing on the association website.

As a member, we hope you ask questions and contribute information, photos, stories, and experiences with fellow LGD owners and potential owners via the newsletter and our social media pages.
